

I. Product and Manufacturer Information

Product Name

Polyimide tape

Name of Manufacturer or Supplier of the goods

Premier Farnell plc

150 Armley Road, Leeds, LS12 2QQ

+44 (0) 8701 202530

Emergency telephone number

+44 1865 407333

II. Composition/Information on Ingredients

Product Name	Synonym	CAS NO.	Hazardous ingredient(s) (Percentage)
Polyimide tape	None	None	None

III. Hazard Identification

Most important hazard effects

Emergency overview

Health hazards : None

Environmental effects : None

Specific hazards : None

Primary symptoms : None

Hazard classification : None

IV. First Aid Measures

First aid measures for different exposure routes:

Inhalation : No pre-treatment first aid measures are required.

Skin contact : No pre-treatment first aid measures are required.

Eye contact : Immediately flush with plenty of clean water. If the condition is serious, seek medical attention at a hospital.

Ingestion : Seek medical attention at a hospital.

Most important symptoms and hazard effects : None

Protection for first-aid personnel : None

Advice to physicians : None

V. Fire-Fighting Measures

Suitable extinguishing media : Water, carbon dioxide, dry chemical powder, foam, and other extinguishing agents.

Special hazards That May Be Encountered During Fire-Fighting : None

Special fire-fighting procedures : None

Special protective equipment for fire-fighters : None

VI. Accidental Release Measures

Personal precautions	: None
Environmental precautions	: None
Cleaning method	: None

VII. Handling and Storage

Handling	: None
Storage	: Protect from moisture, sunlight, rain, and similar conditions.

VIII. Exposure Controls/Personal Protection

Engineering control:

Control parameters

Eight-hour time-weighted average concentration / short-term time-weighted average concentration / ceiling concentration / biological standards:

Personal protective equipment	: Not required
Respiratory protection	: Not required
Hand protection	: Not required
Eye protection	: Avoid eye exposure
Skin and body protection	: Not required
Hygiene measures	: None

IX. Physical and Chemical Properties

Physical state	: Tape in roll form
Colour	: Amber
pH value	: Not applicable
Decomposition temperature	: Not applicable
Auto-ignition Temperature	: Not applicable
Vapor density (Air = 1)	: Not applicable
Form	: Rolled tape
Odor	: None
Boiling point/boiling range	: Not applicable
Flash point	: Not applicable
Test method	: Open cup, closed cup
Explosion limits	: Not applicable
Evaporation rate	: Not applicable
Density	: Not applicable
Solubility	: Not applicable

X. Stability and Reactivity

Stability	: Stable
Possible hazardous reactions Under special conditions	: No hazardous reactions will occur
Hazardous decomposition products	: None
Conditions to avoid	: Unknown
Materials to avoid	: Acids, strong oxidizing agents

XI. Toxicological Information

Acute toxicity : None
Local effects : None
Sensitization : None
Chronic or long-term toxicity : None
Special effects : None

XII. Ecological Information

Possible environmental impact/environmental distribution : None

XIII. Waste Gas Disposal Methods

Waste gas treatment method : Dispose of through factory waste gas treatment facilities permitted by law

XIV. Transport Information

International transport regulations : None
UN number : None
Domestic transport regulations : None
Special transport methods and precautions : None

XV. Regulatory Information

Applicable regulations : ISO 9001

XVI. Other Information

References : None
